## **Charlotte's hottest**

**Rock N' Roll Band** 

---

*Raisin Cain has a couple of exciting shows this month; Smokey Joe's in Charlotte has one of the coolest atmospheres as well as one of the best sounding rooms in Charlotte. Later in the Month, we are at Southsider's Public House in Waxhaw. Everything about this venue is top notch, the owner and staff goes all out to ensure a great musical evening. Don't miss these 2 shows.*

*If you haven't already picked one up, be sure to get your new RCB T-shirts. They make excellent gifts for someone special.*

*More sad news, another well known music venue is closing. OneMor Bar has recently announced they are closing their doors. Our March 7<sup>th</sup> and March 8<sup>th</sup> dates are both cancelled due to the establishments closing their doors.*

*We will be booking new dates at the McHale's in Rock Hill. These dates will be announced soon.*
