

The Raisin' Cain band®

Charlotte's hottest

Rock N' Roll Band 

Raisin Cain is off to the low country this week to play at Clarks in Bethune South Carolina. We have been looking forward to melting some faces in the low country, so if you are anywhere in the area, come on out and make some noise with us.

If you haven't already picked one up, be sure to get your new RCB T-shirts. They make excellent gifts for someone special.

We are very sad to announce that McHale's of Fort Mill will be closing on February 3rd. Due to the closing, our March 7th date will be cancelled. We have been playing there on and off for the last 5 years and we have made some great friends. We will miss our favorite local watering hole.

We will be booking new dates at the McHale's in Rock Hill. These dates will be announced soon.

Keeping live music alive*

We are constantly adding new shows, so be sure to mark your calendars for shows near you. Don't forget to pick up your "Raisin Cain" support shirt at the next show as well as other RCB merchandise.
